PRODUCT SPECIFICATION

BENEFITS

Meaty Texture
Whole Food (Fruit)
Minimally Processed
Sustainably Sourced
Ready to Heat & Serve
Ease of Use
High in Fibre
Cholesterol Free

PRODUCT INFORMATION

Product code: 1003
Unit Weight: 1Kg
Serving size: 83.3g
Serving per unit: 12

Case size: 9 units (9Kg)
Case Gross: 10Kg
Case Size : 30x23x27cms

Shelf Life : Best before 24 Months
County of Origin: India

DESCRIPTION:

Our Mexica Salsa jackfruit contains 70% young jackfruit chunks slow cooked to perfection in authentic tomato salsa (Medium mild spice level) and ready to eat. It's an ideal plant based (tree- borne) filling for use in tacos, burritos, nachos, burgers, wraps, salads, bowls, sandwiches, pizzas and other types of foods. Its versatility lends itself to not only being a filling but also an accompaniment alongside various types of foods.

COOKING INSTRUCTIONS:

Quick: Warm up the jackfruit directly from the pouch using any heating method, and then incorporate it as a filling in your creation.

For best result: Pan-fry with a drizzle of oil until the sauce reduces and achieves a delightful crispy texture.

Tips: To obtain a shredded consistency, break up the contents in the pouch or while heating.

STORAGE INSTRUCTIONS

Unopened Pouch: Store carton and pouch in a cool dry place (Ambient)
Opened Pouch: Refrigerate and use within 3 days

SHELF LIFE:

Best before 24 Months

MANUFACTURING FACILITY:

FDA approved canning facility & ISO22000

SAFETY INSTRUCTIONS:

Do not consume if the inner pouch is bloated or leaking.

PRODUCT NATURE:

Seeds and seed cover often appear, these are natural edible part of the fruit

Plant

Based

READY
TO EAT
